

Try the Pie

Since 1944, we've been baking simply delicious pies using only the highest quality ingredients. Our founder Duane "Wick" Wickersham held this idea in the highest esteem, and 2 generations later, we still maintain his mantra for quality. We currently offer 7 distinctive pie flavors – our most famous is the Sugar Cream. Enjoy!

SUGAR CREAM *The pie that started it all!*

An original farmhouse recipe, this pie contains only the finest ingredients including cream, sugar, and nutmeg. When the eggs were sold out on the farm, they were omitted from the pie. And so, we make them this way today. Wick built his business on Sugar Cream pie over 70 years ago, and we continue to be the only manufacturer of this flavor. And YES, it's also the Indiana state pie!

Similar in taste to crème brûlée, the Sugar Cream pie is lightly sweet, smooth like a custard, and sure to be a family favorite.

SOUTHERN PECAN

A taste of home. Made with Texas pecans, it has a light sweetness and great crunch once warmed.

COCONUT CREAM

Our version of a French baked coconut pie. Served cold or warm, it's always a treat. Add a fluffy meringue for a decadent finish.

PUMPKIN

A holiday staple! Made with spices & creamy pumpkin, this original recipe from the 1950's has stood the "taste" of time.

GERMAN CHOCOLATE

For the chocolate lovers, we offer a sweet german chocolate filling topped with pecans and toasted coconut for texture and taste.

PUMPKIN CHESSE

Extra rich! Made with more eggs, milk and wonderful spices, and finished with a touch of cornmeal to give it a crispy top when warmed.

PEANUT BUTTER CREAM

Smooth and creamy, this pie tastes like a cross between peanut butter fudge and peanut butter cookies. Oh, so good!

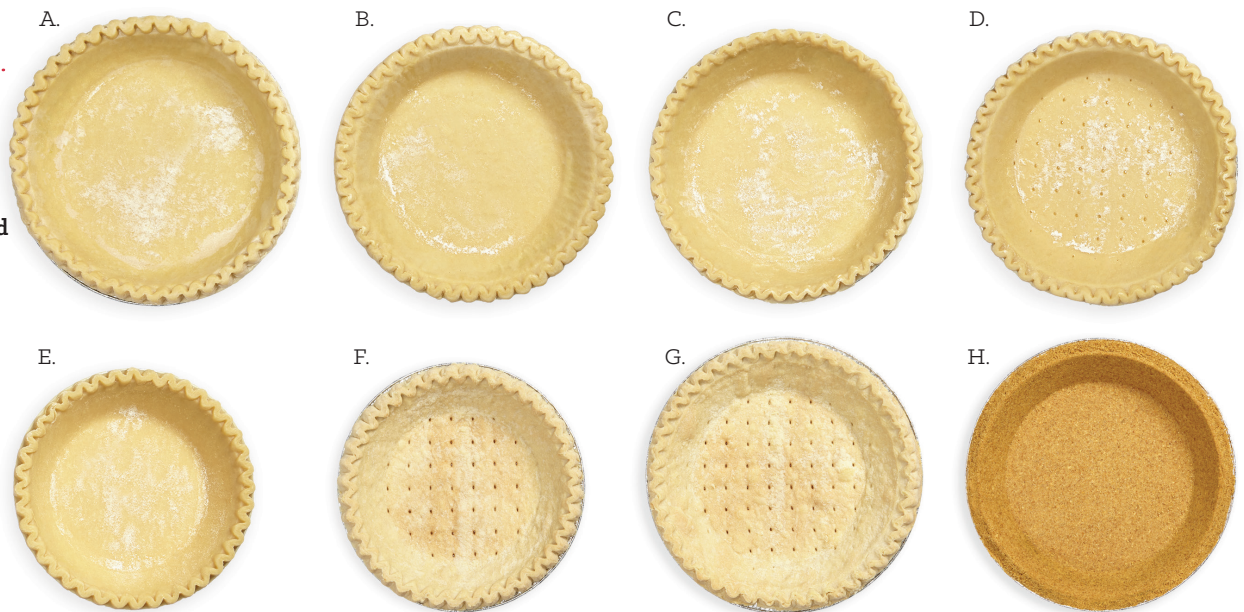

Make it Yours

With our signature pie shells, we make it easy for you to create your own sweet or savory pies. We offer raw or baked shells, vegetable shortening or lard based shells, and a variety of sizes and depths. And don't forget the filling – our glazes are the perfect start to your fresh fruit pies with their sweet, bold flavors.
